**RESPONSE TO SPECIES ELECTION**

Responsive to the Action of July 2, 2003, Applicants elect to prosecute iodine as the preferred agent for the "first specie". Claims 1-6 read on this specie.

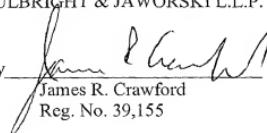

For the second specie, Applicants elect to prosecute the specie designated as item (b), i.e., a process in which formation of the disulfide bond is carried out before all of the protecting groups have been removed. Claims 1-6 read on this specie.

If any fees are due for entry of this submission, authorization is given to charge deposit account no. 50-0624.

Respectfully submitted,

FULBRIGHT & JAWORSKI L.L.P.
